Package Description

EXOTIC ANDAMAN

Andaman is a group of islands that constitute a major part of the union territory of Andaman and Nicobar Islands. As a matter of fact, this group of islands is closer to countries like Myanmar and Thailand as compared to the mainland of India. Lying in the Bay of Bengal, Andaman Islands make for one of the most romantic destinations in the Indian subcontinent. There are several beautiful beaches and tourist attractions here; Havelock Island being one of the most popular islands in the entire union territory. Churches, historic monuments, caves, national parks and adventure activities are things that tourists can look forward to while visiting this picturesque destination. Mud Volcano, Barren Island, Mahatma Gandhi Marine National Park, Radhanagar Beach, Neil Island and Elephant Beach are the top places to visit in Andaman.
